

GeoEd'17 Post-Conference

Unmanned Aerial System (UAS) Forum

This day long discussion will have many of the NSF ATE funded UAS projects from across the country, discussing their project, including their goals and outcomes. Each of the funded projects will do a 30-minute presentation of what they have done and what they are planning on doing. There will be time for the participants to ask questions. In the afternoon, an open forum will occur in which all present can discuss the needs of in this area of rapidly evolving technologies and how it relates to geospatial technological needs. The goal of the forum is to improve lines of communication and sharing.

The tentative agenda is:

8:30 AM – 8:45 AM Welcome

8:45 AM – 9:15 AM Introductions

9:45 AM – 10:00 AM Networking Break

10:00 AM – 10:30 AM Northland College Program
